Issue 2

Dear Parents/Caregivers,

THANK YOU ALL for your communications to us if your family is isolating.
Remember we do provide work for those isolating.

We do appreciate the frustrations you and your whanau are feeling at this time and we will remain functioning as long as we safely can.

We do have Covid in our community but I will not be identifying any student, class or Whanau.
We continue to adhere strictly to all Health/Safety guidelines.

If sick keep your children home.
If they are sick and get a negative Rat test still keep them home while they are sick.
Thank you for your understanding,
Bruce Barnes
Principal

Saint Kentigern College is a leading, independent, co-educational Presbyterian secondary school in Auckland, and we offer scholarship opportunities for students who would be entering the College in Year 9, in 2023 and beyond.

Our goal of enabling exceptional students from all walks of life to achieve their dreams is rooted in the Presbyterian notion of wanting to contribute to society and seeking to help others to aspire and achieve. It is how we can help make a difference to the world.

We are really keen to reach out far and wide to young people who: • demonstrate excellence in any area • would uphold the Saint Kentigern values • have an outstanding attitude • have a clear vision of how they see themselves in the future and the contribution they would like to make to the world Scholarships are available for up to 100% of tuition and boarding.
